KICK

Now that the warm weather is her women will be worried and wearied terday: with cooking over the hot wood cookstove, and commence the usual annual kick about the hot weather here and think of the coolness of the ozone of Iron Springs or the refreshing ser breeze on the beaches of California AND THEY ARE NOT TO BLAME. Husbands, suppose you get up some morning, get breakfast over a red hot cook stove, and after breakfast remain in the heated ,oven-like kitchen all the forenoon, prepare dinner, and after cating that meal wash the dishes, and then go out on the front porch to cool off, and about the time you got to thinking it isn't so hot in Arizona, of-ter all, you look at the clock, remembering that supper must be prepared. Governor Murphy yesterday appointed and start for the kitchen, doubly heat- J. V. Vickers and Frank Willard, both ed by the cook stove (that hasn't cooled of Tombstone, notaries public, off) and the sun that is always hottest about 4 o'clock p. m. Just try all this, stilled the stilled from the stil cares of women for one day and you will do not more philosophizing on the easy time a woman has . A few dollars the upper Glin river. will eliminate all this heat in the kitchen from the cookstove and will leave it as cool as any room in the house. Call at Davidson's Cash Store and
